

100 BUSINESSES. 100 SISTERS.

ONE SISTERHOOD.

BE ONE OF OUR FIRST 10 BUSINESSES TO BACK A SISTER

Before we launch nationally, SisterForce C.I.C. is inviting just **10 businesses** to become our inaugural campaign backers and help us start something powerful.

Women across the UK have served our country and protected our communities through the **Armed Forces and Blue Light services**.

Now we are asking businesses to stand behind them.

Back a Sister with a one-off contribution and help SisterForce create connection, opportunity, community and belonging.
